

#### **UNLOCK YOUR CUSTOMER DATA**

# CRM & POWER PLATFORM CUSTOMER DAY 2023

Sales Features You May Not Know Much About

#### Hi!

Jon Evans

Tecman – Dynamics 365 CRM Consultant

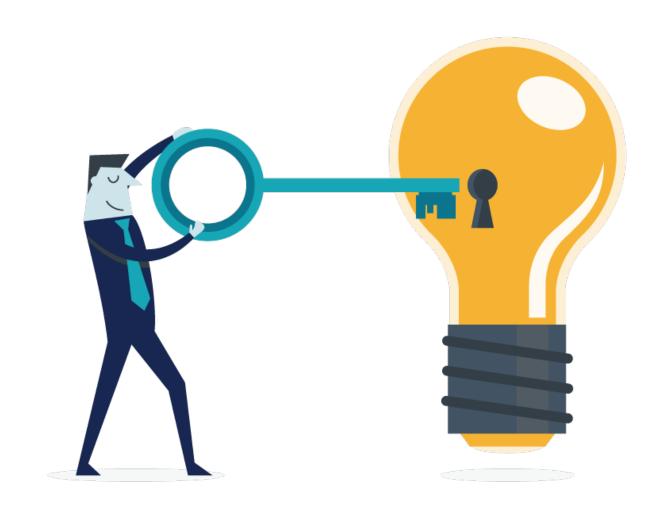

**Abbie Lathwood** 

Tecman – Dynamics 365 CRM Consultant

### What we'll cover

- 1. Sales Accelerator
- 2. Relationship Analytics
- 3. Notes Analysis
- 4. Conversation Intelligence
- 5. Lead Scoring
- 6. Who Knows Whom
- 7. Auto Capture

# But before we start, there's something to mention

# Al is here... and it's not stopping

### Don't just take my word for it

#### Go to YouTube and look up:

- "Tom Scott AI"
- "Microsoft Copilot"
- "Tecman Talks Dynamics"

#### Sales Accelerator

#### My Work List

- The list of tasks where there's something to do
- They are not Activities
- Shows the record to work on

#### Things you'll recognise

- The Timeline
- The Details tab
- Sub-grids

#### Things you may not

- 'Up next'
- Relationship strength
- Lead score
- Who knows whom
- Sequences

#### **Lead scoring**

- Create a model that covers what's important
- Can add your own metrics
- Needs to be trained from your data
- 40 qualified and 40 disqualified Leads and/or Opportunities needed

#### Who knows whom

- Examines emails, phone calls and meetings
- Shows up to 5
  suggestions based on
  the strongest
  interactions
- Available to selected data centres
- You can opt out for your data

# Auto capture (standard)

- Scans emails in Outlook to analyse interactions
- Scans the user's emails as well as all tracked emails
- Sorts items in the Timeline to push the most relevant to the top

## **Conversation Intelligence**

## Thank you.
